SMART MOM, SMART MONEY
FROM HOUSEHOLD BUDGETS TO DIGITAL ASSETS:
A SIMPLE AND PRACTICAL GUIDE TO CRYPTOCURRENCY
FOR EVERYDAY MOMS.

Rising prices. Growing kids. A changing world. It's time for moms to get smart with money — and crypto is part of the story.

Like many moms, I once worried about rising costs and a future that felt uncertain. Then I discovered crypto — a world I thought was too technical and risky — and realized it could be a tool for protection, learning, and empowerment.

Smart Mom, Smart Money is your friendly guide to understanding digital money without the jargon. You'll learn how to safeguard your finances, take your first steps in trading or investing, and see how your everyday mom skills give you a natural edge in the digital economy.

Whether you're curious, cautious, or ready to begin, this book will give you the clarity, confidence, and courage to move from observer to participant in the future of money.
